

TWO YEARS / 200,000 MILES LIMITED WARRANTY

WORLD'S NUMBER 1 AIR SPRING WARRANTY

For two years or 200,000 miles from the date of purchase (whichever comes first), Firestone Industrial Products Company warrants its Airide® air springs used in truck and trailer applications against failures due to defects in materials or workmanship. This limited warranty applies to the original purchaser and all subsequent owners of the vehicle, and is limited to the replacement of the failed spring by a new Firestone Airide® spring. Such replacement may be performed by the original equipment representative, such as a truck, trailer or suspension dealer, or any authorized Firestone air spring distributor.

Proof of mileage or purchase date may be established in original equipment cases by actual vehicle mileage or vehicle bill of sale, and in replacement cases by purchase receipt or warranty receipt for the replacement part. The purchaser or end user will be responsible for arranging, and for all costs of, removal of the defective product and reinstallation of the replacement spring by the appropriate servicing agent. Any freight necessary to place the replacement spring in the possession of the servicing agent is also the purchaser's or end user's sole responsibility. Firestone retains the sole right to inspect warranty claim parts and to determine warranty applicability.

EXCLUSIONS: Firestone Industrial Products Company's obligation under this limited warranty shall not extend to:

1. Damage or malfunction caused by extraordinary environmental conditions or events, including but not limited to chemical contamination, fire, and/or related events.
2. Damage or malfunction resulting from improper installation, accidents, alterations, misuse or abuse.
3. Product use in air suspension applications other than trucks and trailers, including but not limited to use in "off-road" equipment.

FIRESTONE MAKES NO OTHER WARRANTY OF ANY KIND OR CHARACTER, EXPRESS OR IMPLIED, AND ANY WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED.

LIMITATION OF LIABILITY: In no event shall Firestone Industrial Products Company be liable under this warranty for any incidental or consequential damages including but not limited to loss of freight, loss of profit or equipment, or personnel downtime.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
